NATIONAL DETROIT

Dual Action Air Sander

- Unique design has the pad always changing plane so the abrasive does not "load up" and heat is minimized. Result, scratch free finish, longer abrasive life, and no hand sanding.
- 10,000 rpms
- Only 4lbs.
- Requires less air, 60 psi.
- Extra quiet and meets OSHA noise levels

\$199⁰⁰

ELECTRONIC EQUIPMENT

RPM Range - 0

Deluxe Automotive Meter with RPM & Temperature

Professional grade tool used for diagnosing electrical, computer and engine problems on any vehicle. Includes two sets of test leads, RPM pick-up, temperature probe, holster and instruction manual. Inductive RPM pick-up features a five position, adjustable sensitivity switch • 45 test ranges • RPM for dis & standard ignitions • Dual display with analog bar graph and large LCD digital display • Built in temperature readings • 10 meg/ohm input impedance • Built in tilt stand • AC/DC volts and amps

\$98⁰⁰

#ES585 (3)

Electronic Specialties

Laser Photo Tachometer

New pro model Photo Tach with high intensity laser beam. Laser method allows for longer detection distance, up to 60 feet away, resulting in superior performance over infrared models. Also features max/min memory and continuous backlit LCD display. Great tool for a variety of RPM applications.

- Continuous backlit LCD Display, easy to use
- Easy and accurate measurements of RPM in almost every environment • Simply aim at reflective tape, non-contact method • Memory function saves maximum and minimum RPM readings
- Use for measuring RPM on coil-on-plug and diesel engines, where conventional inductive tachometers can not be used • Other uses include generators, compressors, industrial engines and equipment, fang, gears and more.

\$89⁹⁵

#ES332

-58 to 1022 Degrees

Electronic Specialties

Non-Contact Infrared Thermometer

Quick and easy surface temperature measurements. Just aim, pull the trigger and read the temperature on the display! Measures 6 inch diameter target from 4 feet away. • Built-in Laser Pointer • °F/°C Switchable Button • Backlit LCD Display • Catalytic converters, air conditioners, heaters, radiators, engine troubleshooting, coolant temperature etc.

9 Volt Battery Included • One Year Warranty

\$79⁹⁹

#EEST65 (2)

#EEST75 Up to 1832° F • Spot Ratio 12 to 1 **\$159⁹⁵**

Electronic Specialties

Auto Ranging Digital Multimeter

High precision autoranging DMM that can trouble shoot all types of electrical problems. Select Volts, Ohms or AMPS and the unit will automatically select the proper test range. Other capabilities: Frequency, Capacitance, duty cycle, diode and continuity test. Auto power shut off, dual fuse protection, data hold, protective holster, beeper for continuity testing, relative change function, manual range select.

WIRE STRIPPERS

Heavy Duty Automatic Wire Strippers

Strips, crimps and cuts • Automatically self adjusts to strip solid or standard 10-26 gauge wire.

\$17⁷⁵

#SG18950

Wire Stripper/Cutter

Sizes 10, 12, 14, 16, 18, 20 gauge • Handy, light weight, dual purpose wire tools • Strips installation fast, with no damage to the wire • Cuts copper wire cleanly • Lean plier nose pulls, loops wire ends • Highly visible AWG and mm. wire gauge sizes painted and embossed in the metal • CHANNELLOCK BLUE plastic comfort grips.

\$13⁷⁵

#CL958

Automatic Wire Stripping Machine for Scrap Copper

Strips Telephone Wire to 750 MCM Industrial Wire

- Automatically Wire Stripping Machine Strips Copper and Aluminum Wire at 125 Ft per Minute
- Strips 34 AWG - 1 1/2" Wire (1.5mm-40mm) or 34 gauge Telephone Wire to 750 MCM Industrial Wire
- Adjustable Spring Loaded Cutter/Feed Rollers Easily cuts different size wires
- Can cut 2 different sized wires at once
- Industrial Quality Belt, Gear and Chain Drive System
- Quiet Induction Motor: 110V 60Hz 3 hp motor 10 Amps
- Dimensions: 23" x 27" x 34" (L x W x H)
- 30 Amp Circuit Breaker and 15 amp on/off Switch for Superior Motor Protection
- Easy to use on off switch mounted to the outside of the frame
- Grounded Power cord made with Double Insulated 12 Gauge Wire
- Weight: 280 lbs

Bench Top Automatic Wire Stripping Machine

Hooks Up To A Drill

- Mounts easily to any bench or work station
- High quality light weight construction made of durable aluminum
- A Metric HEX Wrench Is Required For Proper Adjustments
- Used for removing the plastic and rubber insulation from undamaged scrap wire. (this machine will not strip coaxial cables)
- Easily connects to drill for automatic wire stripping
- Estimated Strips/min: 450 inches/min.
- Wire gauge range: 10 -0 AWG (3-9mm)

1/4" - 1-1/2" PIPE THREADER

\$698.00 #CFT0986TDS

A Low Cost Industrial Quality Pipe Threading Machine used for Threading, Cutting, and Reaming Water, Electric, and Gas Pipes ranging from 1/4" - 1-1/2" Inches NPT. This portable and compact, high-performance threading machine has a self-opening die head and a through die head oiling system. It is completely equipped and ready to cut, thread, and ream pipe up to 1-1/2" inches in diameter.

Features:

- Range of work is 1/4" inch to 1-1/2" inch NPT (National Pipe Thread)
- Built in oiling system produces reliable high quality threads. Oil is pumped with a gear driven pump and automatically recirculated through the system.
- Heavy Duty 60 HZ 110/120 V, single phase 1100W series motor with 1 year Warranty.
- Industrial strength 1/4" - 1-1/2" inch pipe cutter
- Alloy Steel Dies are made of with Rockwell Hardness of 58-62 HRC for long life.
- Maximum Chuck Capacity is 2 inches or 51mm
- Pentangular 5 Blade Conical Reamer
- Maximum amperage under load is 18.5 amps
- 40 Turns per minute for high quality threads

Includes:

- Universal Die Head
- 1/4"-3/8" Dies
- 1/2"-3/4" Dies
- 1"-1-1/2" Dies
- Industrial Strength Pipe Cutter
- 1 Container of Threading Oil
- Tool Kit including Wrenches and Oil Can

This Item usually Ships UPS Ground. RIDGID® is a trademark of Ridgid, Inc or Ridge Tool Company and is used for product identification purposes only.

OIL & GREASE UNITS

NATIONAL-SPENCER Air Operated Single Action 3:1 Oil Pump

For dispensing medium to high viscosity oil and antifreeze from both fixed and mobile installations.

- 3:1 ratio
- Includes bung adapter
- Delivery rate 3.7 gpm
- Foot valve and screen included
- Tube length 37"
- Air filter with drain included
- 1/2" x 48" oil hose included
- 1/4" x 48" air hose included
- Foot valve included
- Needle valve included
- Quick couplers included
- Maximum pressure 116 psi
- Maximum viscosity 130 SAE
- 1 1/2" diameter suction tube

\$449⁰⁰

#NS1702R (21)

NATIONAL-SPENCER Pneumatic Grease Systems

Complete system with all parts shown for pumping grease fits 120 lb. drum

- Pump tube is 1.18" diameter and 29.13" long • Pump head #1213R is 3.15" diameter and 13" long • Pump head #1220R 2 1/2" diameter and 10.25" long
- 1/4" x 6' high pressure grease hose included • Free flow rate #1213R 66 oz. per minute • Free flow rate #1220R 52 oz per minute • 1/4" x 48" air hose
- Air filter with drain • Needle valve • Air Male and Female Quick Connects

SAND BLASTERS & CABINETS

33-1/2 x 22 x 14 Sandblast Cabinet

- 35" Large Floor Standing Sandblast Cabinet
- Blast Rust / Remove Paint and Grime / Etch Glass

\$309⁰⁰
#CFT3672RH

Includes:

- Measures 55"(H) x 35"(W) x 24"(D) • 12" inch flourescent light with exterior power switch for easily viewing what you are cleaning • Side load door allows loading large items easy • Glass viewing window with 3 free replacement films so your glass is undamaged during use. • 40lb bottom feed hopper has a drain door for easily replacing media. • 33"x22"x14" inside working area allows for large items to be cleaned. • Thick rubber gloves mounted to the cabinet for easily handling parts. • This cabinet includes 4 different sized tips for precision cleaning. The cabinet and gun are capable of using steel shot, silica sand, corn cob, walnut shells, Black Beauty, crushed glass, and glass beads.. • We strongly suggest using Black Beauty as your Cleaning Media for steel, paint removal and rust removable • 1-2 Hours Assembly Time

48" x 24" x 24" Sandblast Cabinet

- 3 Large Doors to Easily Load and Unload Parts
- Shipping Weight: 325 .lbs

Sandblast Cabinet with 48" x 24" x 24" inside working dimensions is a must have tool for any Serious Shop. Easily Strip paint from Wheels, Clean Rust from Bicycle Frames, Restore Fenders and Body Panels, etc... The Premium Built In Dust Collection Systems creates a DUST FREE environment for cleaning parts. Simply Connect your 5 CFM or larger Air Compressor and add Blasting Media.

- Premium 14 gauge powder coated steel frame • 2 side doors and 1 top door for easy loading and unloading • Premium Steel and Brass constructed Foot Pedal controls the Spray Gun with Ergonomic Grip • The Gravity Feed System that Continually Recycles a variety of different media's like Black Beauty, Glass Beads, Steel Shot, Silica Sand, etc. • High Volume Dust Collector eliminates dust so you can see what you are cleaning. • Powder coated Red Cabinet will look great for years to come. • Overhead florescent lighting (2 bulbs) • Extra Large Premium "Grip" Rubber Gloves to Easily Handle PARTS. • Easy Assembly simply bolt on the legs. • Silicone sealed panels from factory to avoid air leaks • Convenient access to filter to access reusable filter

BRIT
Manufacturing Company

85-100 lb Pressure-Fed Industrial Grade Abrasive Blaster

Includes type 1 large nozzle, pressure gauge and relief valve, plus lightweight hood.

USA MADE

\$499⁰⁰
#BR101H (60)

- 10" dia. x 25" h tank on 8" wheels
- Overall ht. 33"
- Includes 70000 squeezer valve, water separator, 10' long 1/2" ID abrasive hose, 2 ceramic nozzles, lightweight hood for face & eye protection
- Has inverted top for easy filling
- 3 semi-automatic pull-up closure
- Air inlet valve
- Choke valve

\$1095⁰⁰
#CFT0242DL

Includes:

- 2 - Premium Rubber Gloves
- 1 - Air Powered Media Spray Gun
- 4 - Ceramic tips included
- 5 replacement films for front glass
- 5 replacement films for light glass

Specifications:

- Built Dimensions: 65" H x 52" W x 38" D
- Interior Working Area: 48" x 24" x 24"
- Hinged door Opening: 46" W x 13.75" T
